1.	Jim McCarthy	Minneapolis, MN	Help me communicate to City Council how important this issue is to people
2.	Dale Phair	Minneapolis, MN	Please consider adding turf space when planning the community center.
3.	Kaki McCarthy	Minneapolis, MN	It's a shame that Bloomington is one of the few communities that doesn't have an indoor turf to support our youth. All seasons in Minnesota and we support every ice sport, but grass sports no longer have to be limited by our short summer. Let's catch up to the other communities and be more than just hockey.
5.	Tammy Kellen	Bloomington, MN	
6.	Dan Knudsen	Minneapolis, MN	
7.	Aaron Buch	Minneapolis, MN	
8.	Chele Payer	Minneapolis, MN	
9.	Greg Gilbert	Bloomington, MN	Indoor turf would help all Bloomington youth, adults and outsiders to stay more active
10.	Patty Hergott	Minneapolis, MN	It would be so nice to be on a level playing field with Edina, Eden Prairie, Minnetonka, etc if we had access to year round fields. Our kids could stay in Bloomington instead of going to surrounding communities for soccer, LAX, etc.
11.	Mary Rathsabandith	Bloomingtonn, MN	
12.	Jennifer Leuma	Bloomington, MN	
13.	Gayle Jacobs	Minneapolis, MN	Bloomington is a large community supporting two high schools and could not only benefit greatly from indoor turf but could also attract a lot of rental time from the space due to the central location.
14.	Mariana Lukacova	Moldava Nad Bodvou, Slovakia

18.	Michelle Vipond	Bloomington, MN	
19.	Cinda Nirberg	Bloomington, MN	Bloomington is so far behind neighboring communities on this. We need a domed turf very badly. It would be a valuable resource for the city and helps hundreds of kids in our community.

			We need this to stay competitive with other families in terms of trying to attract new/young families to move to Bloomington.
26.	Kim Neuenfeldt	Bloomington, MN	
28.	Margaret Monson	Minneapolis, MN	Year around access to an indoor facility is community building! Also essential to complete in all sports. Let's entice new families into Bloomington where we can show the city's commitment to the future!!
29.	Gretchen Miller	Minneapolis, MN	
30.	Scott Cater	Chanhassen, MN	
31.	Dennis Neuenfeldt	Bloomington, MN	
			Having indoor practice turf would really help Bloomington as turf time is so valuable and so often lacrosse has to go to other cities in order to access that. Having indoor turf would bring other communities towards Bloomington and bring revenue here as well.
32.	Weiland Parrish	Bloomington, MN	It can hold more events then, that means more money
33.	Andrew Broman	Minneapolis, MN	
34.	Ahmad Abdalla	Minneapolis, MN	
35.	Matt Dempsey	Minneapolis, MN	
			Bloomington City Council Members please support opportunities for year-round athletics on our city. Obesity is a huge problem at all ages in our country, state, and city. Bloomington was a leader on health issues when banning smoking in all public area, an indoor turf field may actual do more to improve health in our city than banning smoking.
36.	Kris Trenary	Minneapolis, MN	We have the ability to do this! It would make the city money and help to keep athletes active in the winter months. We have the turf! Cover it and let it be used!
37.	Jonathan Holmes	Minnetonka, MN	
38.	Leigh Saunders	HASTINGS, New Zealand	Critical need for future athletics in MN due to weather. Pls consider.
39.	Ryan Holm	Bloomington, MN	A must for our City.

41.	Robin Vodovnik	Bloomington, MN	Bloomington needs a covered turf facility. Many sport season are shortened because of weather in MN. We shouldn't have to go to neighboring communities to be able to practice inside. Bloomington would only benefit from our sports groups or other communities!

43.	Nathan Grochow	Bloomington, MN	
44.	Reed Harms	Richfield, MN	
45.	Michele Masera	Bloomington, MN	
			I definitely think there is.a need for an indoor turf. IF WE don't keep up with our.neighbouring cities WE won't be able to not only provide our youth with opportunities but it will also impact the likelihood of new families moving into our community.
46.	James Jackson	Bloomington, MN	It would be nice to not have to drive to other communities to use their facilities. We need this!
47.	Adam Abrams	Bloomington, MN	
48.	Jessica Frey	Bloomington, MN	
			A community center in Bloomington is such a wonderful idea. This is an oportunity to create something that both the youth and elderly can enjoy. Bloomington puts a strong focus on the elderly and I can appreciate that but it severely lacks the focus on its youth. This is the chance to fix that. A covered turf area that the youth can utilize would only make sense since we have many schools and sports in Bloomington that would utilize it. It is so disheartening to have to travel to another city, pay higher sports fees and not have the opportunity for year round practice. I encourage you to re-evaluate your decision on this matter.
49.	Adam Nedry	Bloomington, MN	My kids are in multiple sports from lacrosse to soccer. Any time we need practice time in the fall, winter, and early spring, the teams are fighting for indoor spots, most of which are far away. We need more indoor space here that will enable these kids to have indoor facilities and keep that revenue in our community.
50.	Kari Ingebritsen	Bloomington, MN	
51.	Lars Ahlen	Bloomington, MN	I support indoor turf in Bloomington.

			We're tired of paying for playing at other venues outside of Bloomington. Let's get this done.
			Please allow our youth to have the same opportunities that our neighboring communities have!

58.	Stephanie Savoie	Bloomington, MN	In order to make Bloomington more competitive and attractive to new families, as well as serve the families and athletes already living here, adding amenities like indoor turf can only benefit the city in the long run. It is short sighted and not in the interest of long term city planning, to not put as many options, like an indoor turf practice space, into the new community center. It is among what many families evaluating school districts and city amenities look for.
59.	Leah Garner	Bloomington, MN	
60.	Susan Bizal	Bloomington, MN	
61.	Emily Hansen	Bloomington, MN	Even though we don't live in Bloomington, my kids go to Bloomington schools and participate in Bloomington sports. We would love an indoor turf option to be able to continue participating in sports year round.

69.	Chuck Waletzko	Bloomington, MN	Build it right the first time. Blloomington must retain its youth. Build a facility we can all use!
70.	Kristi Reardon	Bloomington, MN	Stop sending our sports teams to other communities. Our teams our wasting money and time going to other neighboring communities for off season playing time.
71.	Maria Gatz	Bloomington, MN	
72.	Kirsten Frisch	Bloomington, MN	Not only would an indoor field benefit our community but could be a source of revenue for the city.
73.	Sarah Oman	Bloomington, MN

84.	Molly Lind	Bloomington, MN	This would be a great place for all ages to practice summer fall and spring sports when the weather is too cold.
85.	Valerie Svensson	Bloomington, MN	In order to make Bloomington more competitive and attractive to new families, as well as serve the youth and sports programs for families and athletes already living here, adding amenities like indoor turf is very important for long term sustainability. It is short sighted and limits community programs that is contrary to the tenants of long term community planning to eliminate or limit options like indoor turf practice space as part of a new community center. Opportunities to advance youth programs are one of the primary amenities that many families are evaluating when looking for a new school district and community residence.
86.	Nathan Miller	Bloomington, MN	
87.	Andrea Crane	Bloomington, MN	
88.	Matthew Jones	Bloomington, MN	An investment in youth sports venues is simply an investment in the future of the City of Bloomington. Indoor turf enables a wide range of organized sports like lacrosse and soccer, which build character, sportsmanship, competitiveness, confidence and self-esteem. Both boys and girls learn the value of hard work, integrity, discipline, teamwork, commitment and respect. Investments in the youth of the city build the foundations of a sustainable and renewable city, which provide immediate value to existing families and provide returns to future generations of Bloomington residents. It is simply the right thing to do.
89.	Kelly Rogers-Winston	Bloomington, MN	
90.	Corinne Thomson	Bloomington, MN	A covered indoor turf would attract new families and be a new source of revenue for the city'
91.	Ben Krakow	Bloomington, MN	As a member of the community I want to have pride in where I live and I want my city to be revered as a top city to live in. What makes that possible is top schools which bring families in along with places for our youth to gather and practice. Both support higher home values which keep people in our city. We added turf to both of our high schools bit didn't finish the job of creating stadiums for the fans to come and watch. Instead it is perceived as a band aid. Our baseball teams don't play on their campuses either. No more band aids. Let's be thoughtful and visionary not short sighted. If it's too late for even my 5th grader. But I (continues on next page)

91.	Ben Krakow	Bloomington, MN	<i>(continued from previous page)</i> fully support any cause to bring Bloomington to the upper echelon of Minneapolis suburbs. I challenge this committee to think many years forward rather than catching up to where so many communities already are. If you build it they will come. Right now "they" go to Edina and EP and Savage because it is not built.
92.	John Frein	Bloomington, MN	Kids need more space for activities. Mn and the elements are not conducive for outside recreation for a high percentage of the year. I would hope this facility is versatile for many recreational options, affordable and accessible to all.
93.	Kayne Weiler	Bloomington, MN	As a teacher and mom, please give our kids places to play and train year-round!
94.	Tiffany Turner	Bloomington, MN	
95.	Tim Gatz	Bloomington, MN	We need to stop spending our money renting space in other cities that have covered turf fields already. We need invest in Bloomington, build our own covered facility and keep the revenue stream within our own city.
96.	Susan Goedderz	Bloomington, MN	We believe that building an indoor turf center for Bloomington will attract young families to stay in the city. Already, my kids drive in the winter to St Paul, Savage and Eden Prairie for practices with their Bloomington teams. It's frustrating and business we could be giving to Bloomington instead.
97.	Steve Elmquist	Bloomington, MN	
98.	Clara Wu	Bloomington, MN	
99.	Ruben De Castro	zaragza, Spain	I don't understand why you would spend that kind of money and not include a domed field. Our community will continue to fall behind other neighboring suburbs if we don't take advantage of these opportunities.

110.	Megan Schwalbach	Bloomington, MN	
111.	Daniel Domagala	Bloomington, MN	Indoor turf is a no-brainer and long overdue for a city our size. I am confident there will be more than enough interest from organizations in neighboring cities to maintain a robust and economically feasible complex schedule. Bloomington needs to evolve or continue to get left behind.
112.	Ryan Van Brunt	Bloomington, MN	
113.	Travis Wolfe	Bloomington, MN	Turff should be considered.
114.	Susan Freiberg	Bloomington, MN	
115.	Andy Lee	Bloomington, MN	Additional indoor turf would allow our local sport teams, both boys and girls, to become more competitive. We spend a minimum of \$1000 each year for indoor training at various facilities across the twin cities. This requires kids and parents to drive farther than they should. Both high schools have enough space to build one and would be a great addition to the community.
116.	Claudine Weiler	Bloomington, MN	The city of Bloomington needs to evolve to provide for additional indoor turf so that our youth can have the same opportunities as some of our neighboring suburbs.
117.	Patrick Church	Bloomington, MN	Our city does have children who participate in sports. I understand out seniors also need a place to congregate and be a part of the whole that is our community... No more or less than our city's youth however.
118.	Paul Mussell	Bloomington, MN	
119.	Rachel LeTendre	Bloomington, MN	
120.	Erling Ringquist	Bloomington, MN	Don't let Bloomington become an inner ring suburb on the decline. All our neighboring cities have this type of facility for their kids.
121.	Jennie English	Bloomington, MN	
122.	Jessica F	Bloomington, MN	A city our size should have some of the same amenities as our neighboring cities. Please do not ignore the needs of our cities youth and families! Include indoor turf in your planning. Let's build something that all people in our community will use and value, drawing in not just more revenue for the city but young families to live in Bloomington.
123.	Christine Grochow	bloomington, MN	
124.	Nitara Frost	Bloomington, MN	Local kids need a place in Bloomington to practice and train in the offseason or in bad weather. Indoor turf would be rented year round for various activities and being our city up to speed with others nearby who have indoor turf already.

126.	Tona Fierro	Bloomington, MN	Soccer, softball, baseball and lacrosse. All sports that train in the off season and currently use facilities in South St Paul, Rosemount and Savage/Shakopee to train. Why continue to send revenue to other communities when we have the opportunity to offer it in our own community. Not to mention the additional revenue our community could then bring in. Additionally, winter sports currently struggle with getting the gym space they need as they are competing with off season sports. This particularly impacts youth sports and adult community sports.
127.	Kari Baumbach	Burnsville, MN	
128.	Heidi Hoffbeck	Bloomington, MN	My grandson endured dangerously hot weather during games and practices this summer. Maintaining grasses these days is costly, toxic and a drain on resources. It's time.
129.	Maureen Stewart	Bloomington, MN	
			Bloomington schools charge so much to use their gyms for our basketball programs we can't afford to even play there. It's nonsense. We need a facility that shows they want to keep sports alive in Bloomington and help our community and our youth

147.	Gloria Lopez	Bloomington, MN	There's no reason why Bloomington should be one of the only surrounding communities that doesn't have a covered turf. It would be such an asset to our community. Please hear our voices through this petition and allow this to happen. Thank you!!!
148.	Amber Bernhardt	Bloomington, MN	
149.	Shelley Kubas	Bloomington, MN	I would love to play indoor soccer in my own town! Please consider turf in the community center An indoor turf would cater to many generations...young and old. A great revenue generator and a place to go in the winter. With many cuts in school sports and a strong draw to club sports I do feel that an area for practice, fun, and training that has year round access would be beneficial. This decision to include a covered turf keeps kids actively advancing and promotes continued participation that keeps the kids local as well as funds earned local.

154.	Emily Lillmars	Bloomington, MN	The city of Bloomington supports one of the largest fastpitch softball associations in the entire state. Sadly, we are lacking when it comes to adequate game and practice space. Fastpitch softball has become a year round sport. Sending our kids to facilities in other cities no longer makes sense. We have plenty of sports who would benefit from indoor turf. It's time for the city of Bloomington to refocus some resources on our sports facilities...old and new.

It just might help our property values go up instead of staying stagnant or dropping.

We have great potential here in Bloomington to be the host of great sporting events! It is a shame we have to go to other cities when we have the ability to make our own city just as wonderful! Lets put money into what makes these kids happy and busy!!! While I have your attention...lets get a place for these kids to gather and do positive things together.

More kids, more money for schools. More money for schools, better schools. Better schools, more families want to put down roots here. Activities in Bloomington means more money staying in Bloomington. As in business, you have to spend money(wisely) to make money.
197.	Amanda Elfstrum	Bloomington, MN	Absolutely need indoor turf for all youth sports. Our neighboring communities have it for soccer, lacrosse, baseball, football and many other sports. If we want to keep the younger generation in Bloomington I would highly suggest we revisit this turf issue.
251.	Tonja Alvarado	Bloomington, MN	Bloomington needs to catch up with neighboring communities. Our family has lived here since 1993 and we've been driving to West St Paul, Savage, Edina and many more communities, spending thousands of dollars to rent their turfs, for over a decade now. Pathetic.
252.	Ally Larson	LONDON, United Kingdom	I want my cousins to have a new field!!
253.	Brian Johnson	Bloomington, MN	Bloomington has steadily fallen behind neighboring communities with regard to its sports facilities. An indoor turf facility would move us closer to parity with adjacent cities.
254.	cary johnson	bloomington, MN	
255.	Lisa Christensen	Bloomington, MN	Please consider an indoor turf. It would add a lot of value to our community and it could be a deal breaker when young families are considering a place to buy a home. Sports are very important to the health and well being of children. My kids have benefited immensely from playing sports in Bloomington. I am proud that I live here and we are blessed by all the wonderful people our family has met from playing sports in Bloomington. Don't let this opportunity to enhance our community pass you by. This is a win win situation.
256.	Tammy Workman	Bloomington, MN	
257.	Melissa Kamp	Bloomington, MN	I would sincerely love to see Bloomington make this investment in youth athletics in our city. We are in desperate need of an indoor turf practice facility.
258.	Craig Trenary	Bloomington, MN	
259.	David Hofstad	Bloomington, MN	I support adding indoor turf to the new proposed community center in Bloomington. Artificial turf provides opportunities for various sports teams and individuals to practice and develop their skills when outside training and games are not an option. Also, having been involved with sports in some capacity for 40+ years, know that this is what it takes to keep athletics strong in number and competitive for local schools and communities. Bloomington has fallen behind other similar cities with regard to this and if built, may be one of the considerations of young families considering Bloomington as a place to live and raise their families.

277.	Bob Countryman	Bloomington, MN	In order to create a vibrant and active community Bloomington needs to upgrade facilities for youth sports. A covered turf facility will help support the many youth teams already in Bloomington who currently have to travel to other cities in order to practice indoors in the winter. Upgrading facilities will also be draw for new families to move to Bloomington.
278.	Steve Rosenberg	Bloomington, MN	Please reconsider your decision! It makes no sense to build this facility without a covered turf, making it unusable for 4-6 months of the year.

284.	Kim Gehant	Bloomington, MN	Adding a turf would not only enhance our youth's athleticism, enjoyment and opportunities, but it will draw new families to our city. Keep the turf!
285.	Allan Dosan	Bloomington, MN	I believe indoor turf would help the Bloomington schools be more competitive, attract more events to the school and provide kids and experience that will make them successful in their goals to reach the next level.

Indoor turf is just one way to keep Bloomington healthy, relevant and prosperous. Property values depend on smart development like this.

318.	Francisco caballero	Bloomington, MN	We have been part of the community for 16 years. During winter time our daughter and us have not been able to enjoy a soccer facility in Bloomington. It is about time that our taxes are used for such facility. Thanks,

340.	Patrick Howard	Richfield, MN	Yes, please consider an indoor practice space to be included with a new community center. It would benefit both the City of Bloomington as well as all the families that live there and that will visit the city to use the space.
